Student Learning Experience Survey - A Timeline

Learn more about the different steps of the **Student Learning Experience Survey that take** place in a typical semester.

Semester

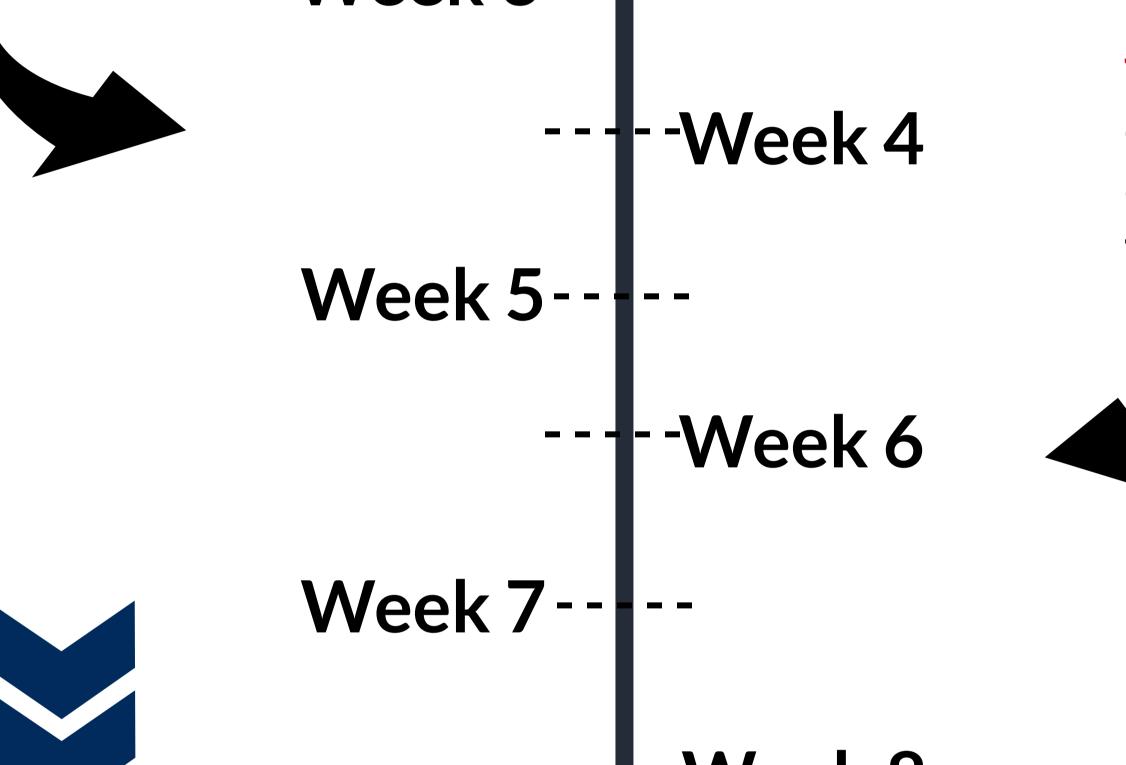

Start

Subject View Management

In Week 4, Deans and **Chairs** review all courses and determine if and when they will be surveyed.

In Weeks 5 and 6, faculty will have the option to add customized questions to their course surveys.

Survey Period (Weeks 7 - 11)

Extended

Standard Survey Period (Weeks 10 - 11)

By default, students complete surveys during Weeks 10-11.

Deans and Chairs

can customize the survey dates for shortened, offcycle, or placement courses to any period between Weeks 7-11.

-Week 8 Week 9 **Week 10 Week 11 Week 13**---Week 14 Semester

End

-Week 12

Report Distribution

Reports collecting student feedback are distributed to faculty after the deadline to submit final grades.

For questions and concerns about your course, its survey dates, or the feedback in your reports, please contact your Dean's Office.
